Message from the Mayor

Nageurs/nageuses, parents
et organisateurs,

Swimmers, parents
and organizers,

Il nous fait grand plaisir d'accueillir ici même à Kirkland, l'édition 2023 des Championnats de natation de l'Association aquatique de la Rive-Nord, à la piscine Ecclestone.

Ces compétitions constituent le point culminant des efforts soutenus déployés par nos jeunes nageurs et nageuses tout au long de la saison estivale et il s'agit pour nous d'une occasion privilégiée de reconnaître leur persévérance.

Les membres du Conseil municipal se joignent à moi pour offrir à tous nos meilleurs vœux de succès et formuler le souhait que ces compétitions figurent au rang des plus mémorables.

We are very pleased to welcome the Northshore Aquatics Association 2023 Swimming Championships at Ecclestone Pool here in Kirkland.

These competitions mark the culmination of the sustained efforts made by our young swimmers throughout the summer months and represent for us, a privileged opportunity to acknowledge their perseverance.

The members of the Kirkland Town Council join me in wishing everyone the best of success and our hopes that these competitions rank among the most memorable.

Message from the President of the NAA

To all participants, coaches, parents, officials, volunteers, and esteemed guests,

I want to express my gratitude to this wonderful community of pools for their resilience and dedication to the NAA community. Despite the challenges, we have accomplished so much in a short amount of time every year.

In just eight weeks, we organized over 40 swim meets, two-time trials, the summer meet, and the Big Meet. With over 1400 swimmers and hundreds of volunteers, we swam over 5000 heats this summer. It was truly a remarkable feat.

I personally want to thank all those who contributed to the success of this NAA 2023 season. Without your support, we wouldn't have made it this far.

To all swimmers, I wish you the best and remember to have fun!

Sincerely,

Martin Plante
President
NAA

Message from the VP Swimming of the NAA

Hello Swimmers, Parents and Volunteers,

Once again, we are reaching the end of another swimming season. And despite all of the smog and rain, I know that we have all shared some great moments that we will remember for a lifetime.

Let Big Meet be a celebration of our collective efforts, and the hard work our pools have put in over the summer! Cheer on your team and swim your best. And no matter the results, remember how privileged we all are to be a part of this great one-of-a-kind community.

I would like to send out a special thanks to all of the volunteers who helped out throughout the season. We could never have achieved our mission without you!

And... psst! Swimmers: remember to thank your coaches!

Leniyo Amayao

Vice-President of Competitive Swimming

Message from Ecclestone Pool

To all swimmers, coaches, officials, volunteers and families participating in BIG MEET 2023,

On behalf of Ecclestone Pool, it gives me great pleasure to welcome the NAA Big Meet back to ECC!

We are once again grateful for the support provided by the City of Kirkland so that we may continue to offer high quality aquatic programs and memorable social events to many families in our community for not only this summer but also decades of past summers.

The organization of a grand scale event such as Big Meet is also made possible by our Mayor, Michel Gibson and the members of Town Council, who have provided generous and accommodating support to host this prestigious event once again. We are equally grateful for the logistical and material support provided by the Kirkland Public Works and from Mike Klaiman of the Leisure Services department.

The organization, planning and coordination needed to execute a successful event depends on a committed and passionate team. All of us at ECC would like to share our most sincere thanks to Trish Caron for taking on the role of Meet Manager once again and leading our organizing committee through the planning stages for this year's event. Our lifeguards and parent volunteers are excited to be hosting Big Meet again and are looking forward to a thrilling and memorable day!

We would also like to take this opportunity to recognize that our friends at PPK will be participating at Big Meet for the last time. We are saddened by this news as PPK has been a pillar of the West Island summer aquatic scene for the last 59 summers and has welcomed generations of families through their gates and into their pool. PPK, your contribution to your community and beyond will be dearly missed.

The big day has come! All the planning is complete and all swimmers and coaches have worked hard to represent their pools at Big Meet! Enjoy the experience, do your best and remember to have fun!
